

Exhibition Application

Pasco Fine Arts Council (PFAC) offers exhibition opportunities to artists living or working throughout the state of Florida. Interested parties must first submit an application, and, upon approval, an exhibit agreement is executed and an exhibition time is scheduled.

We recommend that artist(s) plan on delivering a minimum of 15-20 works for a show. Spaces are available on a first come, first serve basis to approved applicants. PFAC reserves the right to curate the exhibition as we see fit to best display the work and the space. PFAC also has sole discretion in selecting the works to install.

Exhibits are typically 4-6 weeks in length, although other arrangements can be made.

PFAC seeks exhibitions that are thought provoking, dynamic, and appropriate for all ages*. As an operating art center as well as gallery space, we are aware of our responsibility in the community to encourage artists of all ages and backgrounds to enjoy and engage with the arts. We prefer that artists also host a workshop or Artist talk during your exhibition.

As part of this agreement, **Pasco Fine Arts Council will:**

- Curate and install the exhibit.
- Provide informational signs and labels as needed to go along with the exhibit.
- **Assist** in promoting the exhibit.*
- Handle sales. PFAC receives 30% commission. In the event of a sale, the work remains on exhibition until the end of the show.

Artist Duties:

- Artists are responsible for creating and delivering the work to the gallery space at the agreed upon time. Artists will also be responsible for the removal of the artwork.
- All works should be wired for hanging or ready to display on a pedestal. All 2D works must be properly framed, using "D" ring hangers with wire as appropriate. Saw tooth hangers are NOT acceptable.
- Artists will cooperate in publicizing the exhibition.
- Provide high resolution digital images of the work, biographical information, and the artist statement in a timely fashion (usually within 5 weeks before the show).
- All work may be offered for sale during the show, but may not be removed until the exhibit's closing.
- Images of work must be submitted with the application and should accurately represent works being submitted for exhibit. **Please send images by email or thumb drive, 1 MB max/image.**
- If artist requests a reception, please note the artist is required to provide food and drinks, as well as assist with setup and clean up as needed. PFAC **may** assist with any of the aforementioned things.

*As a small non-profit, PFAC cannot run a designated ad campaign for each exhibit. We will assist by making a flyer to table with, creating a facebook event, and publicizing to our members. All other publicity is the responsibility of the artist. If presented with other opportunities, we **may** advertise the exhibition & or workshop/artist talk etc via other outlets.
